

### Magnifier

#### For magnifying documents and objects

There are two options to open up the camera magnifier

1. Press the home button 3 times
2. Swiping up from the bottom of your Home Screen, you'll see a magnifying class with a + symbol

### Zoom

#### For enlarging areas on screen

Using three fingers, double-tap the screen to launch the Zoom box. Double tap again to close it.

Using the following commands while Zoom is enabled:

- Double-tap and drag with three fingers up and down to increase or decrease zoom level, from 100% to 500% zoom
- Drag three fingers while zoomed to move around screen
- Triple-tap the screen to launch zoom options menu
